Mr. Jonathan Cain  

Dear Jonathan,

On behalf of the Greater Bay Area Make-A-Wish Foundation® I'd like to thank you for your profound efforts in granting Cameron's wish to meet his favorite band - Journey!

Your generous contribution of time, energy, heart and a unique VIP experience for Cameron and his family allowed our wish dollars to go further in granting a wonderful experience to a special child. Judging by the photos alone, it's clear that Cameron had an incredible time.

As you may have witnessed, Cameron is the ultimate Journey fan, so to be able to meet the entire band AND spend quality time with you was more than a gift, it was his dream come true! You truly went above and beyond to make this wish magical for Cameron. The sound check experience was particularly special for Cameron as he was able to talk to each of you and have you sign his guitar - his main goal for the day! The concert obviously wowed him and the invitation to the after-party was a complete surprise. His Wish Day really could not have been better - it was absolutely flawless. Because of you, Cameron's wish came true - far beyond his wildest dreams! You have provided Cameron with memories that will last him a lifetime.

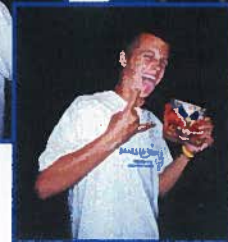

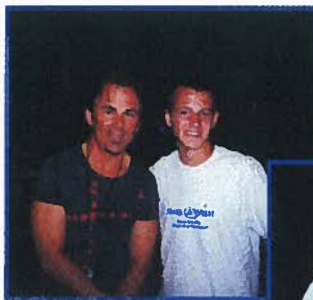

Most importantly, we'd like to extend our extreme gratitude to everyone in your band as well as your tour management and crew who demonstrated so much kindness and compassion towards our Wish Family. You truly have made a difference in the lives of Cameron and his family!

Best Wishes,

Tiffany O'Malley
